

# VERTICAL SIGNAGE

## FULL HD DISPLAY

### 49 Inch

Hugo Techno's specially designed *floor mounted* air cooled vertical signage (VS 49) is a *Processor based* slim plug and play device with long lasting anti corrosive protection layer, *galvanized steel enclosure* and *screw less chassis*.

*LED technology* with features like *Automatic brightness adjustment* according to surrounding, *automated on/off timing by day week and hour*, *Antiglare & overlay tempered vandal resistant glass* and *Built-In voltage protection circuit* makes it a perfect solution to display *full HD multimedia* files for advertising and information displays.

Vertical Signage (VS 49) can be used as a standalone as well as in network environment.

Specification:
