

## Full HD Camera With Tripod Stand For Live Streaming From Remote Site/System

Model No: HTmeet-20F

### Product Specifications

| Feature                   | Descriptions                                               |
|---------------------------|------------------------------------------------------------|
| Sensor                    | 1/2.7", CMOS, Effective Pixel: 2.07M                       |
| Shutter                   | 1/30s ~ 1/10000s                                           |
| Scanning Mode             | Progressive                                                |
| Minimal Illumination      | 0.5 Lux @ (F1.8, AGC ON)                                   |
| White Balance             | Auto, Indoor, Outdoor, One Push, Manual                    |
| Lens                      | f4.4mm ~ 88.5mm, F1.8 ~ F2.8                               |
| Optical Zoom              | 32x                                                        |
| Digital Noise Reduction   | 2D & 3D Digital Noise Reduction                            |
| Pan Speed Range           | 1.5 degrees ~ 120 degrees per second                       |
| Video S/N                 | ≥55dB                                                      |
| Horizontal Angle of View  | 62 degrees ~ 4 degrees                                     |
| Operate System            | Windows 7, Windows 8, Windows 10, Mac OS X, Linux, Android |
| Digital Zoom              | 24x                                                        |
| Horizontal Rotation Range | ±170 degree                                                |
| Video System              | 1080p/60, 1080p/50, 1080i/60, 1080i/50, 1080p/30, 1080p/25 |
| Vertical Rotation Range   | Minus 30 degrees ~ Plus 90 degree                          |
| Tilt Speed Range          | 1.5 degrees ~ 80 degrees per second                        |
| Vertical Angle of View    | 35 degrees ~ 1.5 degrees                                   |
| Preset Accuracy           | 0.1°                                                       |
| Number of Preset          | 300                                                        |

Model No: HTmeet-20F

### Product Specifications

| Feature                 | Descriptions                                                               |
|-------------------------|----------------------------------------------------------------------------|
| Color System            | YUV 4:2:2                                                                  |
| Video Format USB 3.0    | 1080P@120fps                                                               |
| Video                   | H.265/H.264/MJPEG                                                          |
| Main Stream Resolution  | 1920×1080, 1280×720, 1024×576                                              |
| Sub Stream Resolution   | 1280×720, 720×576, 320×240                                                 |
| Audio                   | AAC                                                                        |
| Frame Rate              | 50Hz: 1fps ~ 50fps, 60Hz: 1fps ~ 60fps                                     |
| Video Bit Rate          | 128Kbps ~ 8192Kbps                                                         |
| Audio Bit Rate          | 96Kbps, 128Kbps, 256Kbps                                                   |
| Support protocols       | TCP/IP, HTTP, RTSP, RTMP, Onvif, DHCP, Multicast                           |
| Video Stream            | Main Stream, Sub Stream                                                    |
| Video Output            | 2xUSB3.0, 2x HDMI, 1x CVBS                                                 |
| Audio Encoding          | AAC audio encoding Supported                                               |
| Network Interface       | 2xRJ45: 10M/100M Ethernet Interface                                        |
| Audio Interface         | 1-ch: 3.5mm Audio Interface Line In                                        |
| Bit Rate Type           | Variable Rate, Fixed Rate                                                  |
| Local Storage           | local storage module, directly recording to local USB flash disk Supported |
| Low Light               | High SNR of CMOS sensor, even under low illumination conditions supported  |
| Communication Interface | 2xRS232 In, 2xRS232 Out, 2xRS485                                           |

Model No: HTmeet-20F

### Product Specifications

| Feature               | Descriptions                                                                                          |
|-----------------------|-------------------------------------------------------------------------------------------------------|
| Certifications        | BIS certification                                                                                     |
| Power Jack            | JEITA type (DC IN 12V)                                                                                |
| Operating Temperature | 0°C ~ 45°C                                                                                            |
| Storage Temperature   | -12°C ~ 65°C                                                                                          |
| Other Features        | Tripod Stand, Remote Control Support, Audio on USB, Image Freeze, H & V Flip & Backlight Compensation |

Model No: HTmeet-20F
